Peg!
Dear Ms. Ellsworth:

On behalf of the Housing Trust Fund Corporation and the NYS Office of Community Renewal, thank you for participating in our Main Street Boot Camp Workshop. We appreciate you taking the time to develop a compelling and informative presentation. The survey responses are providing enthusiastic feedback on your inspiring presentation.

As you know, HTFC and the New York Main Street Program are dedicated to providing services to communities and organizations across the state of New York and we appreciate working with partners like you to help us provide this meaningful training.

We could not have done this without your inspiration and participation. Thank you again for presenting at the workshop and we look forward to partnering with you again in the future.

Sincerely,

Christian Leo
President
Office of Community Renewal
